The ME-200 Industrial Shop Cart was made to withstand the adverse conditions of any shop. Manufactured completely from 1/8 inch steel and a customizable powder coat finish, durability will never come into question. Features two swivel/braking, two rigid, 8 inch non-marking Duratek casters. This cart will roll over almost anything you'll come across in your shop, and not mark up the floor of even the cleanest shop in the process. Rated to handle 2400 lbs., there isn't much this cart cant handle. Available in Flat or Pan Top options. The Pan Top model features a 1.5 inch lip on the carts top surface.
