Looking for a professional way to display your small outboards? Why not give the ME-106 a try. Perfect for showcasing up to 3 small clamp-on outboards in a straight line, give equal distinction to each motor with this stable display stand. This display comes with 2 brochure holders that can be attached to each side and can hold a stack of tri-fold pamphlets, making it especially great for your store or tradeshow booth.

If you are interested in customizing this stand with color or your logo, check out these [customized outboard motor stands](#) we have done for customers. See the Color chart below for more ordering information.
